

A Grassroots Conservative with Effective Experience for the SREC

I have never been one to give up. Everywhere we turn, the Democrats are demonizing American's freedoms and depriving us of liberty and opportunity. And those ideas are being quickly imported into our great state. I want to make sure that Republicans stay in control of the state of Texas, because our country's future and the future of my children and your children depend on it.

As our neighbors in other states continue to move here by the thousands each day, we must have an effective Texas Republican Party that articulates our values to these new voters, works to grow our party, and to continue to elect Republicans in November!

To accomplish these goals, the Republican Party of Texas needs to be managed by an Executive Committee full of experienced professionals who know how to manage budgets, understand contracts, and communicate effectively.

I will bring these qualities to SD 25:

Professional Background Worthy of an Executive Committee:

- Retired civil appellate attorney (with an active license), and doing research and writing are in my DNA! My years of practice before the court also made me a good listener.
- I have been involved in grassroots Republican politics since 1992, a time when Republicans neither held the Governor's mansion nor a majority in the legislature or on either of the two highest courts.
- From 2020-2023, I served as the Texas Federation of Republican Women VP of Legislation. I'm known for my ability to build relationships and grow organizations.

Effective Leadership for Conservative Legislation:

- 2021: Helped draft legislation that bans Critical Race Theory in our public schools and requires that our children be taught about American exceptionalism.

Worked to pass Election Integrity reform.

- 2023: Led grassroots efforts to ban gender modification, men's participation in women's college sports, and pornographic materials from being made available in Texas public schools and libraries. In addition, worked to remove Texas from ERIC (Electronic Registration Information Center).

I hope to see you at the Texas GOP state convention!

If you become a delegate, I ask for your vote. To attend as a delegate, please plan to attend your SD 25 County/Senate District convention on March 23. If you have any questions, please email me. **Together, we can accomplish more!**

Robbi Hull | Candidate for SD 25 Committeewoman | Robbi4SD25@gmail.com
